Introduction / Discussion

The City was awarded federal stimulus funding for this project. The City Council previously approved a staff request to delegate award authority for this project to the City Manager in an amount not to exceed the funding allocated to the project of $744,000.

Bids were publicly opened by the City Clerk on July 8. The City received six bids for this project. The low bid is $663,091.05, 2.5% lower than the engineer's estimate, and nearly all bids are within 10% of the lowest bidder. The bid results are listed below:

Contractor	Bid
1. MCK Services	$663,091.05
Engineer's Estimate	**$680,000.00**
2. Top Grade	$709,471.94

10B

Since the bids received are within the funding allocated, the City Manager awarded the contract to the low bidder, MCK Services, on July 17.

Fiscal Impact

The low bid is within the project budget, and no additional fund allocation is needed.

Recommendation

Adopt the project plans, specifications, and project details to conform to the Uniform Construction Accounting Act.
